Dear Parents / Guardians

### **PRIMARY 1 LEVEL MATTERS – TERM 2**

We welcome your child back to another engaging and enriching term. We hope you had a restful term break and managed to spend some family time together. We are very excited about the upcoming Term 2 and would like to take this opportunity to share with you and your child what to expect for this term.

#### **1. Transition to Lower Primary**

We are proud of our Primary 1 students who have adapted well to the school and class routines in Term 1. They quickly warmed up to their classmates and forged new friendships. We would like to take this opportunity to convey our appreciation to all parents for supporting the students' transition to primary school.

#### **2. Topics to be learnt in Term 2**

#### **3. Level Programme**

##### **Enrichment Programme**

Enrichment Programme in Term 2 will continue to focus on equipping students with good learning habits and thinking dispositions which will enable students to become Self-Directed Learners. Students will be taught four Habits of Mind (HOM) – *Listening with Understanding and Empathy, Thinking Interdependently, Thinking and Communicating with Clarity &*

*Precision and Striving for Accuracy.* Through class discussions and LEGO activities, students will learn what each habit looks like, sounds like, feels like and applications of these habits in school and at home.

We would like to invite you to use the following phrases to encourage your child to apply these 4 habits at home:

- *Try to explain in your own words.* (Listening with Understanding and Empathy)
- *Let's work together!* (Thinking Interdependently)
- *Why don't you try to say it clearly?* (Thinking and Communicating with Clarity & Precision)
- *Have you checked your work before submitting?* (Striving for Accuracy)

To enable learning with technology, students will be exploring the features in the Student Learning Space (SLS) and taught how to navigate Koobits, an online platform for learning Mathematics. Parents are encouraged to use this tool with your child at home to better support their learning.

We hope that this information has given you greater insight on how you could support your child this term. Do contact your child's Form Teachers if you need further clarification or assistance. We look forward to fostering a strong partnership with you.

Yours sincerely,

Mdm Nurashlyn Abdul Rashid  
Assistant Year Head
