2. Level Programmes

Remedial Lesson

Remedial lessons will be conducted to address learning gaps. Subject teachers will inform your child and you accordingly via Parents Gateway if your child is selected to attend any remedial lessons. We strongly urge all parents to assist in ensuring your child attends the lessons regularly in order for them to fully benefit from it academically.

Financial Literacy Workshop

All Primary 3 students will be taking part in the Financial Literacy Workshop during curriculum time to learn key financial and economic concepts so as to inculcate good financial habits from young and be equipped to make good financial decisions later in life. Through an array of engaging activities and simulations, students will learn to differentiate between needs and wants as well as good money habits and attitudes.

We hope that this information has given you greater insight on how you could support your child this term. Do contact your child's Form Teachers if you need further clarification or assistance. We look forward to fostering a strong partnership with you.

Yours sincerely,

Mrs Jasmine Ng
