**Please take note of the following:**

- English Oral and MT Oral will be conducted during curriculum time. Students will be informed of their oral exam details by the subject teachers before the examination.
- If your child is unwell on the day of the oral examination and has a valid Medical Certificate, your child will take the oral examination on the next day.
- Please be reminded that a medical certificate (with the exception of Covid-19, if your child is Ag+ or C+ where MC is not required) is required in the event that your child is absent on any of the examination days. The examination marks for students who are absent during examination and covered by Medical Certificates or screenshot of the ART test will be pro-rated. Failure to produce a valid document will render a zero-mark scored. We regret to inform you that letters of excuse will not be accepted.

## **2. Level Programmes**

### **Remedial Lesson**

Remedial lessons will be conducted to address learning gaps. Subject teachers will inform your child and you accordingly via Parents Gateway if your child is selected to attend any remedial lessons. We strongly urge all parents to assist in ensuring your child attends the lessons regularly in order for them to fully benefit from it academically.

We hope that this information has given you greater insight on how you could support your child this term. Do contact your child's Form Teachers if you need further clarification or assistance.

We look forward to fostering a strong partnership with you.

Yours sincerely,
