- If your child is unwell on the first day of the oral examination and has a Medical Certificate, your child will take the oral examination on the second day if he/she is well to report back in school.
- Please be reminded that a medical certificate (with the exception of Covid-19, if your child is Ag+ or C+ where MC is not required) is required in the event that your child is absent on any of the examination days. The examination marks for students who are absent during examination and covered by Medical Certificates or screenshot of the ART test will be pro-rated.
