Instead, eCCA sessions will be conducted in Term 3 Week 2 – 4 to ensure continuity of learning. Students should refer to the eCCA portal for more information on their CCA activities.

The Term 3 CCA schedule is as follows:

### Remedial/ Supplementary/ Enrichment

The teachers will inform your child and you accordingly via Parents Gateway if your child is selected to attend any remedial/supplementary or enrichment class. We strongly urge all parents to assist in ensuring your child/ward attends the lessons regularly in order for them to fully benefit from it academically.

### Learning Buffet

Our P5 students will be taking part in an Education and Career Guidance (ECG) programme titled 'Learning Buffet'. P5 Learning Buffet will take place on Wednesday, 1 September this year during school hours. Students will get to learn through authentic hands-on activities and discussion with professionals in the various careers in the different career categories. Through this programme, we hope to encourage students' awareness of personal strengths and interests to guide exploration of career pathways. More importantly, we hope to inspire students to have beginning aspirations through exploration of various careers.

### Growing Years

This programme will take place during school curriculum hours on Thursday, 2 September 2021. Students will be equipped with life skills to handle issues that he/she may face in his/her growing up years.

## 5. Values Education

The focus on CAREs value for Term 3 is Respect. We encourage all Primary 5 students to accept different opinions of others and to weigh one's words carefully before speaking to others.

We hope that this information will give you greater insight on how you could support your child this term. We look forward to fostering a strong partnership with you.

Do stay healthy and keep safe.

Yours sincerely,

Mrs Michelle Koh
