- If your child is unwell on the day of the oral examination and has a valid Medical Certificate, your child will take the oral examination on the next day.
- Please be reminded that a medical certificate (with the exception of Covid-19, if your child is Ag+ where MC is not required) is required in the event that your child is absent on any of the examination days. The examination marks for students who are absent during examination and covered by Medical Certificates or screenshot of the ART test will be pro-rated. Failure to produce a valid document will render a zero-mark scored. We regret to inform you that letters of excuse will not be accepted.

3. Level Programmes

Remedial and Enrichment Lessons

The subject teachers will inform you accordingly via Parents Gateway if your child is selected to attend any remedial or enrichment lessons. We strongly urge all parents to assist in ensuring your child attends the lessons regularly in order for them to fully benefit from it.

4. Inclusion Week

BLGPS Inclusion Week aims to bring an awareness of how we can be/bring about an inclusive society as we learn to understand and celebrate the abilities of people with disabilities through meaningful engagements and activities.

We hope that the information provided will give you greater insight on how you could support your child this term. As we approach the end of the academic year, we would like to express our appreciation and thank you for your support and cooperation for the past three terms. It has been an absolute pleasure being on this learning journey together with all the Primary 3 students this year and we wish them every success as they move on to Primary 4 next year.
